

Consolidated Bibliography of recent writings related to the work of UNCITRAL (1968 – 2007)

X. International construction contracts

- Basnayake, S. La guía jurídica de la CNUDMI para la redacción de contratos internacionales de construcción de instalaciones industriales. *Revista del derecho industrial* (Buenos Aires) 8:22:1-7, enero-abril 1986.
- _____. The work of UNCITRAL in the field of industrial contracts. *International construction law review* (London) 1:3:273-276, April 1984.
- _____. The work of UNCITRAL on a legal guide to industrial contracts. In Asian Pacific Regional Trade Law Seminar incorporating the Eleventh International Trade Law Seminar, Canberra, 22-27 November 1984. Papers and summary of discussions. Canberra, Australian Government Publishing Service, 1985. p. 401-449.
- _____. Work of the UNCITRAL Working Group drafting the Legal Guide to International Construction Contracts. In International Construction Contracts: essential elements for drafting and negotiation. Chicago, Ill., American Bar Association, 1987. p. 1-6.
- Bentley, D. Model contracts: a model way of saving time. *International corporate law* (London) 14:13-15, April 1992. Summary from headnote: "Several international bodies [i.e. International Chamber of Commerce, Economic Commission for Europe, UNCITRAL] offer recommended forms of agreement or guides to drafting for cross-border transactions. Diana Bentley assessed them." Under its subtitle UNCITRAL, the article mentions: UNCITRAL Legal Guide on Industrial Works (1987) and UNCITRAL Legal Guide on Electronic Funds Transfers (1986).
- Böckstiegel, K.-H., ed. Vertragsgestaltung und Streiterledigung in der Bauindustrie und im Anlagenbau. Köln, Heymans, 1984. 348 p. In German. Translation of title: Contracts and dispute settlement in civil engineering and construction of plants.
- Boggiano, A. International standard contracts: a comparative study. *Recueil des cours: Académie de Droit International = Collected courses of the Hague Academy of International Law* (Leiden, The Netherlands) 170:9-114, 1981/1.
- Cruver, D.R. Special problems of subcontracting: subcontracting, agency, antiboycott laws and the Foreign Corrupt Practices Act. In International construction contracts: essential elements for drafting and negotiation. Chicago, Ill., American Bar Association, 1987. p. 135-145.
- Enderlein, F. Internationale Verträge auf dem Gebiet der industriellen Entwicklung. *Recht im Aussenhandel* (Berlin) p. IV, 1980. (Supplement of *DDR Aussenwirtschaft* 48:35, 1980). In German. Translation of title: International contracts on industrial development.
- Epling, J.A. Legal issues during construction and testing of international construction contracts. In International construction contracts: essential elements for drafting and negotiation. Chicago, Ill., American Bar Association, 1987. p. 77-105.
- Goudsmit, J.J. The role of the consulting engineer in international construction contracts: legal aspects and issues. In International construction contracts:

essential elements for drafting and negotiation. Chicago, Ill., American Bar Association, 1987. p. 125-134.

Guide juridique de la CNUDCI pour l'établissement de contrats internationaux de construction d'installations industrielles. *In Recueils pratiques du droit des affaires dans les pays de la Communauté économique européenne*. Paris, Editions Jupiter, 1989. 93 leaves (= 186 p., double columns, small print). (Modèles de contrats et statuts ; T. 11). Loose-leaf. Reproduction of UNCITRAL Construction Contracts Guide (1987), with slight editorial changes.

Hunter, J.M.H. UNCITRAL and construction industry arbitration. *International construction law review* (London) 2:2:165-176, January 1985.

International construction contracts: essential elements for drafting and negotiation, concentrating on the United Nations draft legal guide on drawing up international contracts for construction of industrial works. 5-6 November 1987, Washington, D.C. Chicago, Ill., American Bar Association, 1987. 235 p. For a breakdown of papers dealing with different aspects of UNCITRAL's Draft Legal Guide see Basnayake, Cruver, Epling, Goudsmit, Katz, Myers, Shadbolt, Silkenat, Stewart and Walser.

Internationale Verträge über Consulting Engineering. *Recht im Aussenhandel* (Berlin) 70:1-11, 1984. (Supplement of *DDR-Aussenwirtschaft* 18:2, 1984). In German. Translation of title: International contracts on consulting engineering.

Katz, S.R. International contracts for the construction of industrial works: initiating the project, structuring the contract and selecting the contractor. *In International construction contracts: essential elements for drafting and negotiation*. Chicago, Ill., American Bar Association, 1987. p. 7-18.

Koh, K.L. UNCITRAL's work on the draft legal guide on drawing up international contracts for construction of industrial works. *Malayan law journal* (Singapore) 2:220-230, December 1986.

Legal implications of the New International Economic Order (NIEO): contracts for the supply and construction of large industrial projects. *In Asian-African Legal Consultative Committee. Working papers for the Trade Law Sub-Committee*. New Delhi, Secretariat of the Committee, 1985. Vol. 2. p. 31-39.

Myers, J.J. Time provisions in international construction contracts: delays, defects and other failures to perform. *In International construction contracts: essential elements for drafting and negotiation*. Chicago, Ill., American Bar Association, 1987. p. 147-194.
